Pistol Grip for SKX SmartSled Scanners

Ready, Aim, Scan!

A lightweight and ergonomic pistol grip design ensures comfortable and accurate scanning with enough power to last through an entire day of data collection.

Extra Battery Life

The Pistol Grip companion contains a rechargeable 6,000mAh battery inside the grip to extend the life of your Samsung Galaxy phone.

Simple Scanning

Scanning has never been easier! Just point your device at a barcode and pull the trigger to quickly scan it.

Convertible

The Pistol Grip Companion and the Extended Battery Companion are swappable with each other. The Pistol Grip can be used in the warehouse while extended battery can be used on the store floor.

All-in-One Charging Port

Your Samsung Galaxy phone and Pistol Grip Companion batteries can all be charged via USB-C or pogo pins using a Charging Cradle.

Comfortable in Your Hand

The Pistol Grip Companion, like all SKX Companions, was designed to ensure maximum comfortability in your hand. With a non-bulky profile and lightweight design, the Pistol grip companion can handle a full day of scanning without being taxing on your arms and hands.
